Coco Entrance Mats

Each Coco Mat is made out of coconut husk fibers that are bound to a heavy-duty vinyl backing. This commercial-grade construction helps ensure that coco mats will continue to act as brush mats by expertly removing debris, dirt and water. Coco mats have stood the test of time and have proven to be a sturdy, long-lasting entrance mat.

- Vinyl backed coco mats are rather durable and thus wear well.
- The vertically situated coco fibers trap and retain dust and debris below the walking surface which helps prevent these particles from being tracked inside your building.
- The natural color coco is available in all 5 thicknesses (including 1/2", 5/8", 3/4", 1" & 1 1/4"). All 6 dyed colors only come in the 3/4" thickness.
- All coco mats are natural, eco-friendly products yet hold up well for commercial environments.
- Coco mats are perfect for moderate to heavy-use, indoor / covered outdoor locales.
