Coco Alternative Brush Mats

Coco Alternative Brush Mats are constructed of a industrial-grade, synthetic coco material, which is ideal for high-traffic locations, recessed (or inlaid) applications as well as custom size and shape configurations. Due to their woven loop/rib pattern, Coco Alternative Brush Mats expertly remove large amounts of dirt, debris and water.

- Manufactured with needle-punched fibers of polypropylene, these alternative coco mats have a heavy, dense face weight, ideal for long-term usage in even the most heavily-trafficked areas.
- Coco Alternative Brush Mats use a coarse, solution-dyed fiber that effectively cleans shoes while not shedding and hiding walking patterns on the mat.
- UV-stabilizers make these synthetic coco mats quite resistant to fading from the sun and also allow them to dry much more quickly when compared to natural cocoa mats.
- Heavy-duty, beveled edges help prevent tripping and make these mats ADA-compliant for surface-mounted applications. Also available without edging for recessed/inlaid applications.

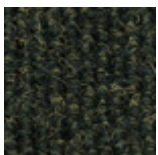

**** Coco Alternative Brush Mats can be made in sizes up to 13' 4" wide and lengths up to 75'. Please call for pricing.**

Item No: ECOSB

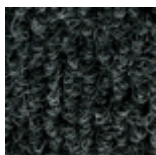

Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
2' x 3'	\$87.12	\$85.64	\$84.40	\$82.20
