Flocked Logo Coco Mats

Flocked Logo Cocoa Mats feature stiff fibers that work hard to brush dirt, debris and moisture off feet. These logo mats use a distinct flocking process to lay a crisp, clear logo design onto the mat surface.

- The 1/2" pile construction helps to trap and hold dirt below the surface.
- Please note that a one-time \$95 artwork set-up fee will be charged for each logo mat design (only after the artwork is completed and the design proof is approved).

** Please use the Logo Instructions box to specify any instructions for logo placement, orientation and/or color.

**** PLEASE NOTE: An artist's proof of the logo floor mat will be emailed to you for approval before production.**
