Inlay Coco Logo Mats

Inlay Coco Logo Mats are heavy-duty logo mats, well suited for high-traffic locations. The coarse, dense surface on these custom coco mats works hard to scrape shoes to remove dirt, debris, and moisture

- The logo design is inlaid into the base mat, similar to a jigsaw puzzle, which produces a highly customizable product with superior clarity.
- Inlay Coco Logo Mats can be manufactured in custom sizes up to 79" wide and virtually any length.
- Coco logo mats project a positive image of both your business and your commitment to the environment thanks to natural, renewable components.
- Available with heavy duty beveled edging for surface mounted use or without edging for recessed applications.

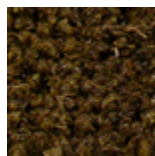

NOTE: An artist's proof of the logo floor mat will be emailed to you for approval before production.
