Recessed Coco Mats

Recessed Coco Matting is manufactured with natural coconut husk fibers which are adhered to a commercial- grade vinyl backing. These coco mats have a bristle-like surface which effectively scrapes dirt, debris and moisture off of shoes. Recessed cocoa mats do not need to be glued down to the recess given their weight and construction; coco matting can simply be inlaid and then taken up for cleaning.

- These floor mats are resilient and greatly resist wear.
- The coco mat's deep pile construction traps and holds dirt particles and water below the surface.
- Recessed cocoa mats can be used as permanent matting in high-traffic areas.
- Natural color available in 1/2", 5/8", 3/4", 1" & 1 1/4" thicknesses. All other colors available only in 3/4" thickness.

Item No: CM.RECO
