Personalized Coco Mats

Personalized Coco Logo Mats are coarse logo mats made from coconut husk fibers. These fibers act like bristles to brush shoes clean and resist wear. The logo is dyed onto mat's surface while the deep-pile design traps dirt below the surface. These coco mats are tough on dirt and moisture. Ideal for light-moderate traffic, indoor / outdoor areas.

- The 1" thick pile helps trap and hold debris below the surface.
- Space for up to 22 characters on two lines.
- Available without the border upon request.
- Coco logo mats project a positive image of both your business and your commitment to the environment thanks to natural, renewable components.

** Please use the Logo Instructions box to specify any instructions for placement, orientation and/or color.

** PLEASE NOTE: An artist's proof of the logo floor mat will be emailed to you for approval before product.
